

GAMA BW AW12 SP – CLASS A

November 2025

Fund

Founded in 1975 by Ray Dalio, Bridgewater is one of the world's leading asset managers. With approximately 1,300 employees and more than 300 professionals dedicated to deepening its understanding of markets and economies, the firm manages over a hundred billion dollars in assets. Created in 1996, the All Weather strategy offers what Bridgewater believes to be the best return-to-risk ratio through a globally diversified asset allocation that is evenly balanced across various growth and inflation scenarios. This approach makes it possible to gain exposure to all economic environments in a diversified manner—both geographically and by asset class—generating consistent returns over time.
