

GAMA PEARL DIVER GLOBAL FLOATING INCOME SP – CLASS PB

November 2025

Fund

Pearl Diver Capital is an asset manager headquartered in London with an office in New York, managing over USD 2 billion in assets. Founded in 2008, the firm specializes in global structured corporate credit markets, with a specific focus on the securitized corporate loan space. The strategy provides access to a global and diversified portfolio of senior secured corporate loans through investments in USD-denominated floating-rate CLO securities rated BB/B. The floating-rate nature of the investments, combined with active duration management, aims to protect the portfolio against rising interest rates and volatility. Downside risks are managed through diversification across underlying credit assets, vintages, and CLO managers.
